The Taste of Summer™

Product Request Form

Dear Store Manager,

I would love for you to carry Tasti-Lee® premium slicing tomatoes. These tomatoes offer fresh from the vine taste year-round and I'd like to be able to buy them in my favorite local store (yours!).

Please consider adding them to the produce department as a special request.

Tasti-Lee® tomatoes are brought to you by Flavorful Brands, Ladera Ranch, California 92649.
